

A Newsletter for the Chattanooga/Lafayette  
Emmaus, Crossroads and Chrysalis Community

### FROM THE 2007 LAY DIRECTOR

To the Community:

The year is moving on, our teams for the spring are in place. Matt and J H have started their meetings. Deborah will start her meeting soon. PLEASE be in prayer for these teams and pilgrims.

We are in need of scholarship money for some team members and pilgrims. We have separate accounting for this money, and it is used only for those who could not be on a walk otherwise. As you feel led please get your check to Skip and mark it for scholarship. It is tax deductible within the law.

As many of you know we support other ministries with prayer and people. Our Emmaus members are involved in work at the jail, in the inner city, and with the homeless. If you have an interest in becoming more involved with these ministries please let me know and I will put you in touch with their leaders.

Camp Lookout is in the process of building and remodeling at the camp. Part of the effort is to add new lighting and plumbing at the chapel. You may not know that the Emmaus community built the chapel several years ago. The board is going to be looking at ways to help with the chapel.

There is a lot going on in our community, we are blessed with the talents and gifts to do God's work. Pray that God will lift you up to use what he has given you in service to Christ.

DeColores,            Lewis Trobaugh

PS: During 2006 the average attendance at Gatherings was 60; January's attendance was 80! Keep up the growth!

## SPONSORSHIP INFORMATION

Sponsorship is taken for granted in most communities; it is assumed everyone knows the how and why of sponsorship. Unfortunately, sponsorship is usually not even discussed except in reference to the number of candidates signed up for a walk. And yet, sponsorship is the most important job in Emmaus. It is more than "signing people up." The quality of sponsorship influences the Pilgrim, the health of the Emmaus movement, and the Church being affected by the Movement.

The strength of any Emmaus Community is a direct result of that community's recruiting practices. If the community is committed to recruiting strong church leaders for the purpose of strengthening the local church, then the community will be a strong vital force in the renewal movement. If, on the other hand, the Walk to Emmaus is looked upon as a hospital where every human ill can be cured, it will have a weakening effect on the entire community. Emmaus is designed to spiritually renew church members who, in turn, Christianize their environments.

### **Why do we sponsor? What is our aim?**

The aim of a sponsor should not be "to get all my friends to go," to fill up the weekend, to fix people's problems, or to reproduce one's own religious experience in others. Rather, the aim of the sponsor is to bring spiritual revitalization to Christians who will, in turn, bring new life and vision to the work of the church in the congregation, home, workplace, and community. The aim of sponsorship is to build up the body of Christ.
